Building Fund Offering: By way of an update from our Annual Society Meeting we are pleased to announce that we have received a portion of our HST rebate from the Government (approx. \$90,000) which helps significantly in paying Project Caleb invoices at this time. The Official Board would also like to thank those who are making regular contributions to the Building Campaign, **Journey to the Promise Land**. If you are new to Trulls and have not yet joined the Journey through a pledge, you are most welcome to participate in this way. For information please call the church office or ask at the Welcome Centre. Another way for all of us to contribute is through a Special Offering that will be received during the Official Dedication Service at 3 PM. Our hope is to see \$20,000 raised with the proceeds being directed to offset the cost of the chairs in the Sanctuary. Again we want to thank you for your generous donations and we are excited to see what God has in store.
